## **Instructions to Examinee**

- 1. Please confirm that no page of the answer book is missing/damaged and total number of pages match the figure mentioned on the cover page.
- 2. Do not write/give any irrelevant information/figure/symbol anywhere on the answer book else it will be considered as UFM.
- 3. Rough work should be carried out at the last pages and it should be crossed out.
- 4. Exchange of any items among the examinees during the exam is strictly prohibited.
- 5. You are not permitted to bring any loose paper/programmable calculator/ electronic gadgets etc. in the exam hall else it will be treated as UFM.
- 6. Ask the invigilator for any queries.
