OPJU at a Glance

Our Patron's Message

Started in 2008 as an engineering college, today I can proudly say that in a short span of only four years, OPJU has become a role model for institutions of higher education not only in Chhattisgarh, but in the entire nation of what can be achieved with the right motivations, vision, and programs focused on student outcomes, creating vast employment opportunities for the youth of our nation and guiding them along a path to becoming successful contributors to society.

With OP Jindal Group's deep commitment to nation building and focus on core industries of Steel, Mining, Power, and Construction, it is only befitting that OPJU's vision of becoming the nation's first private and only university to enhance the core sector capabilities is our commitment to the growth of the nation and realizing our collective dream of building the nation we can all be proud of.

As the Patron of an institution of higher learning, I am humbled by the enormous faith the community has bestowed upon me and accept the challenge and the responsibility to build a socially responsible, equitable, and accessible institute we can all take pride in.

Pursuit of knowledge through first-hand experience is the cornerstone of OP Jindal University, We aim to build an institution where real world challenges find practical solutions and innovation happens not by chance, but by design.

Naveen Jindal
 Chairman, Jindal Steel and Power Ltd.

Vision

Pursuit of knowledge through experience is the cornerstone of OP Jindal University. We aim to build an institution where students learn by doing, where real world challenges find practical solutions and innovation happens not by chance, but by design.

Mission

In pursuit of its vision, OPJU will

- Adopt an experiential pedagogy across its programs, to make students understand the concepts and give them the ability to solve real world problems.
- Embed liberal education to develop well rounded professionals who can work at multiple levels of responsibilities.
- Leverage technology to enable teaching by faculty and practitioners from around the world.
- Partner with world's leading institutions, both from academia and industry to create an eco-system to meet the needs of the steel and affiliated industries.
- Facilitate best-in-class student experiences through investment in technology, academic and residential amenities, and sports and recreational facilities.
- Create an "Industry" focused environment to foster research to solve real world problems.

OPJU Strives to be a recognized institution in the field of professional education around the world and also taken care of the Indian context in designing our curriculum.

Dr R D Patidar
Officiating Vice Chancellor

Our university recognises every student is unique and provides a nurturing and stimulating environment to bring out the best in each student.

Director, Career Development Center Message

On behalf of OP Jindal University, it is my pleasure to invite you to conduct the campus drive, for our students. Ours is a unique industry based curriculum, across all three schools where, our students learn by doing. Our students actively take part in co-curricular and extra-curricular activities through various student clubs and activities, leading to development of an all round personality, thereby preparing them to become thorough professionals.

OPJU is highly committed to prepare students to enhance the performance of corporates and we strongly believe that our students would be future leaders, making valuable contribution to the socio-economic strata as well. Corporate from different sectors have recruited our students, starting from roles in the core sectors to the management cadres.

Our students have performed very well and have left an indelible mark and we are proud of their achievements. We request you to partner with us in this ambitious journey and it would be a pleasure to host your esteemed institution on campus and build a long lasting and a mutually beneficial association.

I wish all success to our students in their careers ahead.

Student Testimonials

I would like to thank the faculty and members of placement cell for the support and guidance throughout my education, which turned out to be reason for me

being selected and associated with brands like AMAZON

– **SUJEET SONI(CSE),AMAZON**

Our university's Training & Placement Cell is one of the best placement cells among all the colleges. The team is very supportive and enthusiastic and takes genuine pain to place the

students in the best possible companies with best salary packages in the market. I feel happy to be a part of OPJU University

– **SATYA PRAKASH (MECHANICAL), JSW**

I got a good exposure by being a part of such a reputed institution. Here I got various opportunities to showcase my talent either it can be related to

management stuff or co-curricular activities apart of my studies. Through the consistent support of placement cell, I built-up confidence within me, resulting I was able to crack the selection process in one of the MNC company "TCS"

– **SHREYA (CSE), TCS**

Glad about my placement. I am thankful for OPJU's placement department which given me chance to work in the company like FRONIUS INDIA PVT. LTD and yes it is only possible because of the guidance of the great faculties that OPJU have.

– **DEEPANSHU (METALLURGY) , FRONIUS INDIA PVT. LTD.**

I am thankful to OPJU University for providing me such an amazing platform. It is just because of Placement Cell that I got placed in such a wonderful company. I will always be grateful for the wonderful opportunity OPJU University given me.

– **ANSHU RANJAN (EEE), JINDAL STEEL AND POWER LTD.**

In all, my experience of these four years is priceless. The sheer memories of my college days make me happy and proud. The policy of the college to prepare the students not only on the lines of the core

subjects but also to develop skills that make you a true professional, has paid off. I was able to get job in the Core sector

– **PRINCE KUMAR (MECHANICAL), JINDAL STEEL AND POWER LTD.**

OPJU University is a place where students are nurtured by ingenious professional faculties. The placement department brought excellent opportunities to campus. I was

fortunate enough to get training in not only academics, but also in personality development. The quantitative sessions helped me in a profound way to get placed in a company of my choice.

– **ASHUTOSH PATNAYAK (CIVIL), BYJUS**

I got placed in one of the best MNC because of the support I've had from placement cell. They helped me to improve my communication and technical skills. I hope this process continuous to help placement aspirants in future to achieve their goal of getting placed in dream companies

– **RANU (EEE), JSPL**
