

The Institution's Innovation Council (IIC), OPJU, in collaboration with the OPJU Innovation Centre, is organizing a five-day workshop on “**Design Thinking, Critical Thinking, and Innovation Design**” from 3rd to 7th February 2025.

The workshop will cover key topics such as understanding design thinking, critical thinking in innovation design, practical applications of these methodologies, intellectual property rights (IPR), and patents. The primary goal is to foster a creative and problem-solving mindset among participants. Through interactive sessions, collaborative activities, and expert-led discussions, participants will gain practical knowledge, empowering them to thrive in innovation-driven environments.
