

A CONSULTANT FOR A PROJECT AT NAGPUR RAILWAY STATION

OP Jindal University has got the opportunity to serve as a consultant for a project “Multi-storeyed parking system at Nagpur Railway Station”. This opportunity has been facilitated by Dr V S Landge.

The purpose of this project is to use the space to park the vehicle, as it is universally acknowledge that people living in major cities, always find a problem to park their vehicle, for this a concept of “Multi-storeyed parking system also known as (Parking garage, Parking Structure) is a building designed specifically for automobile parking and where there are number of floors or levels on which parking takes place . It is essentially a stacked car park.

The team has been constituted for the project which comprises of:

Dr Siddharth Chakrabarty, Mechanical, OPJU

Dr Mahesh Bhiwapurkar, Mechanical, OPJU

Dr L R Bhandarkar, Mechanical , OPJU

Mr Pradeep S Chauhan, EEE , OPJU

Mr V Nagpure, Civil, OPJU, along with the 4 students of OPJU.

The team of OPJU will work as a consultant for the project, they will help to suggest a working prototype which is good in aesthetic and requires good automation in it. And if the prototype gets selected than OPJU will have an opportunity to move further with DR V S Landge in an Individual partnership, which will be an achievement and will benefit the students of OPJU.
